DATE: April 20, a Saturday so that a working partner can attend.

GATHERING POINT: Navajo Drive in the block south of Hwy 69,  
Prescott Valley

GATHERING TIME: 9:00AM DEPARTURE TIME: 9:30AM

*Your Travel Agent (that's Kent) will leave an hour ahead of the group to get to the restaurant and make sure that parking and seating are as arranged. There will be a group leader and sweep driver yet to be drafted.*

**SIT-DOWN TIME: 11:00AM**

**ROUTE: Az 69 to I-17 South to New River Drive (Exit 232)**

**New River Drive to Az 74 (about 10 miles of good two-lane road)**

**Az 74 West to Pleasant Harbor Blvd (almost 2 miles)**

**PHB North to West Harbor Blvd (about 1.75 miles)**

**WHB to the gate (100 yards m/I) into the recreation area  
(*\$6.00 fee per car*)**

**After paying the bandit at the gate you come to a T intersection. Turn RIGHT.**

**Proceed a few hundred yards to a parking area on the right. It's marked by a blue shade canopy. Turn in there and you'll probably be met by an attendant – but if not, look for a spot. Since we hope for a beautiful day, so will hundreds of other people, so parking may be tight.**

***(Your Travel Agent will try to prearrange a reserved parking area – ask where you should park. If you get a blank look, find a spot.)***

**After you've parked, come to the canopy and a 6-passenger golf cart will take you down to the marina/restaurant and (so they tell me) over a floating causeway to the restaurant. Or you may wind up walking out the last 100 yards if things didn't go as they told me when I set this up.**

**Bring money. Your Travel Agent had a cheeseburger, onion rings and a beer and the tab was \$24.00.**

**The marina is an aquatic recreation center so you can swim, water slide, or rent a boat or kayak. Most of all, you can have fun! See you there.**
